ABSTRACT

This guide is designed to assist sutdents in preparing a masters thesis or a doctoral dissertation. Part 1 describes the process of preparing a "mini" dissertation proposal, intended to familiarize the student with the dissertation process early in their doctoral program. Part 2 presents examples of dissertation prosposals for: (1) a laboratory experiment; (2) a descriptive/correlational study; (3) a field-based quasi-experiment; and (4) a qualitative research study.
